Sample "Hello, Julie Villegas" Application

This is the home page for a sample application used to illustrate the source directory organization of a web application utilizing the principles outlined in the Application Developer's Guide.

To prove that they work, you can execute either of the following links:

- To a [JSP page](#).
- To a [servlet](#).

Ayuda

Sample Application JSP Page, Julie Villegas

This is the output of a JSP page that is part of the Hello, World application.

Hello Julie Villegas!
